* 'Y' indicates that the RFQ was flagged for award. 'C' indicates that the RFQ was cancelled.
 'U' indicates that the RFQ was cancelled through the Change Order Process.

Introduction

The "Request for Quotations" (PR606) screen provides the buyer with an abstract of all the RFQs that he/she has issued. The screen lists the RFQs chronologically in descending order based on the closing date and it displays each RFQ's status. The PR606 screen also provides access to the vendor response screens (PR604 and PR612).

Field Name	Description	Attributes	Derivation Source	Query Field	Mapping
CHANGED REQUISITION	This check-box indicates whether a requisition has been changed via the "FM014 - Purchase Request Change Order Screen".	Derived	System generated	Y	N
RFQ NUMBER	This field displays the system generated number assigned to the request for quotation. Note: A Double click on this field drills down to the "PR604-Quotation Management Window".	Derived	System generated from PR605	Y	N

Field Name	Description	Attributes	Derivation Source	Query Field	Mapping
ISSUED BY	This field contains the name of the buyer who issued the RFQ.	Derived	System generated from PR605	Y	N
DATE ISSUED	This field displays the RFQ issue date. The required format for this field is DD-MON-YYYY, e.g., 31-MAY-1998.	Derived	System generated from PR605	Y	N
CLOSING DATE	This field displays the last day which procurement needs to wait before flagging a particular response for award.	Derived	System generated from PR605	Y	N
STATUS	This field lists data informing the user whether the RFQ has been flagged for award, canceled, or canceled through the change order process.	Derived	System generated	Y	N
